

## PERFORMANCE, DURABILITY, AFFORDABILITY

Only Robbins could have packed this much performance into a single flooring system. Introducing Eclipse, a **COMPETITION CLASS FLOOR** built to withstand the rigors of every-day use. But not only that, we also designed it to be affordable. So whether you're in charge of an elite NBA, NCAA or high school program, or just looking for the best value for your money at any level of play, you owe it to yourself to take a look at what Eclipse has to offer.....go ahead and compare.

*Eclipse* is the **FIRST**, and **ONLY**, sports floor that is 3<sup>rd</sup> party certified to exceed all industry standards worldwide:

From MFMA's PUR standard to EN 14904 Type 4, all the major sports flooring standards share a common vision:

- Safeguard the well-being of the athlete
- Ensure good game play performance
- Provide good structural integrity
- Anchored for dimensional stability and uniformity for long-term superior game play

No one understands this better than Robbins, the company who pioneered the use of DIN in North America more than 20 years ago and the industry leader with more than 25 patents and numerous other innovations built into Robbins' flooring systems every day.
